### Base Flange with Kick Plate

Q CLAMP REF No.	A	B	C	D	E	F	G	HOLE DIA mm	WEIGHT kgs
247-3	3	45	90	58	30	100		14	2.00
247-4	4	45	90	58	30	160		14	2.12

The Base Flange with kick plate is ideal for guardrailing and balustrading applications where the addition of a kick plate is required. The slotted holes allow for adjustment and ease of fitting.
