Cable Ties

Our cable ties are perfectly suited for use with our range of debris netting or scaffold sheeting.

If using with a standard 2x50m roll of netting, we recommend 1x pack of 100 cable ties per roll.

Our cable ties are 4.8x300mm and are available in black, clear, and a wide range of colours.

Technical Details

Our high quality nylon 6,6 cable ties are packed in 100's as standard. They can be tightened by hand or using a tensioning tool. The majority of our standard nylon cable ties are tested before leaving the factory by an independent testing company to ensure the highest levels of quality and strength.

Material - Nylon PA66

Standard - UL Approved

Military - 23190E

Working Temp - -40oC to +85oC

Self Extinguishing Class - UL94V2

ROHS Compliant - Yes

Zero Halogen - Yes

Strength

The majority of our standard cable ties are tensile tested randomly before leaving the factory to ensure they are at least meeting, but in the majority of cases well exceeding the minimum tensile strengths quoted below:

- 4.8mm Wide Cable Ties –22.2kg (50lbs)
