Scaffolding Boards

Manufactured from the finest European whitewood, our scaffolding boards are graded and end banded and are the finest quality in Europe. They measure 36mm thick and are 225mm wide, and are available in various lengths.

[Our scaffolding boards can be ordered online by clicking here.](#)

Length	Weight
13ft (3.9m)	18kg
10ft (3.0m)	14kg
8ft (2.4m)	11kg
6ft (1.8m)	8kg
5ft (1.5m)	7kg
4ft (1.2m)	5.6kg

Scaffolding boards are also available in flame retardant specification. They can also be supplied in either plastic or galvanised steel material.
